Beginning from the establishment of Kantor Berita Indonesia at Jl. Tunjungan No. 100 Surabaya, two weeks after the proclamation of Indonesia independence. But two weeks later Kantor Berita Indonesia name was changed to Kantor Berita Indonesia “ANTARA”, following the news agency in Jakarta, “ANTARA” under the leadership of Adam Malik. Kantor Berita Indonesia “ANTARA” Surabaya was later moved to a larger building on Jl. Pahlawan No. 28 former Japanese-owned news agency.

The radio is very vital role in the struggle. Toward the Japanese army to the Indonesian invasion, Radio Tokyo diligently proclaiming the national anthem Indonesia Raya with the purpose of propaganda and take the sympathy of Indonesian people, but after Japan’s ruling repercussion Indonesia Raya songs immediately disappeared. Even public radio is sealed so that people cannot hear the radio broadcast other than Japan Hosokyoku.

RRI Building is located on Jl. Pemuda No. 82-90 Surabaya then will experience progression to Bung Tomo Tower with 24 activity stories, and 4 basement floors. 24 stories was the total of 4 podium floors and 20 rentable floors / office rent.

Keywords: Rental Office, Tower 24th floor, RRI Tower
